### P.E.

I saw some great dance lessons this week. Yr 1,3 and 5 have been having fun with Abbie. It will be great to see them progress each week and see what their performances develop each week.

### Healthy Living

Last week Year 1 and Year 2 were learning about how to wipe their noses and cough into a tissue when they have a cold. We also discussed washing hands to keep germs away. They made some super posters which you can find on the website in the healthy living section. Thank you guys. Remember :-

#### Litter

The children have been working with Mr Clarke and Mr Moore on tackling litter on our playgrounds. They have weighed the litter collected over a week. They have put some actions in place to reduce litter and they will re-weigh the litter every Monday to see if there has been a reduction. Please help them by putting your litter in the bin.

Punctuality is just as important as good attendance.

We have a new class slogan : "Be in the line for 5 to 9".

All children who are in the line and enter the school via their own classroom door will collect points for their class.

Pupils who enter school via the main Reception doors are noted as late on the register. Some children are missing their phonics, spellings and mental everyday.

Help your child to achieve more:- **BE IN THE LINE FOR 5 to 9.**
