Please help– we are really pleased that some children are being provided with healthy grapes for lunch. Could you please help staff and cut them up so that your child can eat them safely and independently.

Early Years children have been learning about the Little Red Hen. They have also been baking delicious bread.

### Computing

All classes have been learning about Coding in their Computing lessons. We are all very impressed with the programming skills e.g. Year 2 have been coding directions, Year 3 have been coding a Scratch programme and Year 4 have been coding a Scratch game.

### Healthy Living

This week the NSPCC were in school speaking to Key Stage 2 pupils about the ways to keep themselves safe and healthy. The school nurse was also in preparing children for their transition to High School. Take a few minutes to ask your child how they can keep themselves safe and healthy. How you can help ? Check packed lunch boxes are not full of chocolate and sweets. Leave sugary foods at home.
