## Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

### Keeping Children Safe

How can we keep our children safe?

- There are lots of ways to keep our children safe e.g.
- checking that they know how to cross the road safely;
  - giving them support when using the internet and mobile phones;
  - helping our children to learn how to stay safe on bikes and scooters.
