

Summer
2016
From
self-
evaluation.

Strengths Teaching, Learning and Assessment Information

Many examples of outstanding learning and engagement of children who have high expectations. Children are encouraged to be independent learners with confidence. Deployment of additional adults. Confident and capable children as they are ready to move to High School. Staff confidence in using the assessment system across the school. Use of assessment information to plan activities.

Development Area: Teaching, Learning and Assessment Information

Continue to share excellent practice across the school. High expectations of handwriting. Challenge the depth of learning for More Able pupils.

Continue to support pupils in their evaluation of learning. Develop the marking of new staff (Spring and Summer term). Continue to support reasoning in Maths and reading.

Strengths Leadership and Management

Links with Governors who hold the school to account with challenge and support.

Subject Leaders who demonstrate and model good practice in subject areas.

Subject Leaders who model depth and mastery in their subject following Learning Walks.

Development Area: Leadership and Management

Subject Leaders to continue using Learning Walks to help plan CPD and Master Classes for colleagues.

Continue to standardise with other schools out of Knowsley.

Continue to monitor progress through a variety of systems including: books, interviews, Learning Walks and Assessment Information.

Strengths Behaviour, Safety, Personal and Safeguarding

Children always feel safe in all parts of school. Robust systems to ensure safeguarding procedures are followed by all members of the school community.

Children who are confident of who to speak to if worried. Impeccable behaviour in and around school. Children know that they are valued.

Development Area: Behaviour, Safety, Personal and Safeguarding

Continue to improve attendance figures- April 2016 96%

Key Stage 2 pupils to continue to support younger pupils as they play new games ready to move across phases in September. Continue to get children moving!
