

St Michael and All Angels Primary School

Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

ECO TEAM

The Eco Team have been busy checking and monitoring the school's use of electricity . They will be giving regular updates on energy use and savings made. Each class has an Eco Monitor who checks that equipment is switched off when not in use. Before we started our average monthly consumption was 8560.7 KWh per month compared to 6662.1 KWh used in March a saving of 1898.6 KWh.
