St Michael and All Angels Primary School

Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

Welcome back everyone.

We hope that you had a happy and safe summer.

It is great to see our children return to school looking so proud in their uniforms.

Thank you parents for ensuring they look so smart and well turned out.

Please remember to put names in all items of clothing- it helps when things get mixed up!

Our first week is already over. We hope that you are back in the swing of things and back in your routine.

Sleep is very important for children and adults. We have a much better day after a good nights sleep.

Here are some recommendations for sleep patterns for children:-

3-5 years—between 10 and 13 hours

6-13 years— between 9 and 11 hours

Going to bed at the same time with a well organised routine helps children (and parents) to have a restful night.

How do you ensure that bedtime is calm and relaxing? Share some ideas with us on our questionnaire via Parent App.
