St Michael and All Angels Primary School

Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

Attendance this week has been great. Children with siblings in High Schools that have been closed this week have attended as required. Great work everybody!
