St Michael and All Angels Primary School

Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

Football
Well done to the football team who made it to the area finals yesterday. They did a great job in scorching weather. Staff were very proud of you children. Lots of determination shown!

Swimming
Year 4 have begun their swimming lessons. They have been very well behaved and had a very positive attitude to their lessons. Lots of determination at the swimming pool!
