# St Michael and All Angels Primary School

## Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

**Congratulations Year 6 you have been confident, caring and conscientious children this week.**

**It has been an exhausting week of tests and your resilience and care for each other has not gone un-noticed. I am very proud of you all.**

**Remember that if the weather is sunny you will need to apply sunscreen. We do limit pupil time outdoors on sunny days.**
