

# St Michael and All Angels Primary School

## Mission Statement:

At St Michael and All Angels School we are a Christian Community where everybody is valued and recognised for their unique contribution. We provide a child-centred education in a positive learning environment in which all children may reach their full potential. The Gospel values of love and respect are at the heart of our partnership with parents and carers, Governors, the parish and wider community.

### Re-fill Campaign

To reduce the use of plastic bottles in school we would encourage children to have a re-useable water bottle that they take home to wash and re-fill each evening.

We do have the facilities for children to re-fill bottles during the day. Re-fillable water bottles have sports caps which reduce spillages and they also save money.
