

Mathematics Curriculum Map 2021-2022

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Aut 1	Place Value Addition and Subtraction	Place Value and Number	Place Value	Place Value	Place Value	Place value Addition and Subtraction
Aut 2	Addition Subtraction 2/3D Shape Place Value	Addition and Subtraction	Addition & Subtraction	Addition Subtraction	Addition and Subtraction	Multiplication, Division Geometry
Spr 1	Addition Subtraction Place Value	Multiplication and Division	Multiplication & Division	Multiplication Division	Multiplication and Division	Fractions Decimals Percentages Ratio
Spr 2	Place Value Measurement - length, height, weight and volume	Fractions Time Measures	Fractions	Fractions	Fractions and Decimals	Measures
Sum 1	Multiplication and Division, Fractions, Position and Direction.	Addition Subtraction Place Value	Measurement (Including time)	Measures Statistics	Four Operations	Algebra and time
Sum 2	Place Value, Measurement-money, time.	Multiplication and Division Measures	Geometry	Geometry Place Value Calculations	Measure and Shape	Data handling
